

Ireland Japan Chamber of Commerce

Sports Sub-Committee

Objective

The primary goal is to assist in activating Irish community in Japan through sports events such as Rugby matches, Olympics & Paralympics, Gaelic Football, Golf etc., as well as in fostering the opportunities for IJCC members and partners to seek business chances in those activities.

What we do

- Support Irish sports entities
Build close interaction with Irish sports entities such as Olympic Ireland, Paralympic Ireland, Irish Rugby Team, GAA etc. and communicate with them actively to establish systematic support from us. IJCC's resources such as member community, connection with Team Ireland (Irish Embassy, EI, IDA, Bord Bia), PR channels (SNS, Email, Newsletter, Website) can be frequently utilized.
- Offer business chance for members and partners
Seek opportunities for business collaborations in abovementioned support plan and promote those to the IJCC members and partners
- Organise online / in-person events
Organise and hold events by cooperating with Irish sports entities & related companies & members to offer them for promoting their activities / business and to get sports fans in Irish community more involved in supporting them.
