

## Ireland Japan Chamber of Commerce

### Sports & Culture Committee

#### **Objective**

To provide business and networking opportunities for our members by supporting sports and cultural engagements between Ireland and Japan.

#### **What we do**

##### Platform for connecting

Provide a platform for communication and knowledge-sharing between those involved in sport and cultural activities in Japan for the purpose of networking and business growth opportunities.

##### Partnerships

Cultivate new relationships and foster existing relationships with partner organisations in the areas of sport and culture by facilitating collaborations where possible.

##### Events

Hold events for the purpose of promoting business connections through sport and culture, such as the annual IJCC Ireland Japan Golf Challenge Ambassador's Cup.

##### Information dissemination

Share information related to sport and cultural activities in Japan. Information will be distributed via our monthly newsletter, website and SNS platforms.
